To Whom It May Concern:

I am writing this letter to recommend the Huntington SAT Test Prep Program for your school. We have utilized this program since the 2016-2017 school year and have been thrilled with this partnership. We now work exclusively with Huntington and Ms. Deanne Dalgaard Fisher for SAT Test Preparation courses at Warren Township High School.

The quality of instruction in the Huntington program has been excellent. Students who fully participate in the program learn test-taking strategies, interact with content similar to what they will see on the exams, and also take two practice tests during the program to monitor their progress.

Our partnership with Huntington has provided stability and responsiveness in offering test preparation services to our students. We meet with Ms. Dalgaard Fisher twice a year to plan our program. We are able to make adjustments to scheduling and structure to best meet the needs of our students who participate in the program. Additionally, Ms. Dalgaard Fisher works with students to adjust their schedules due to extra curricular conflicts that arise over the course of the program. We did not encounter this level of service with other test preparation companies we partnered with in the past.

Through our eight year partnership with Huntington Learning Centers and Ms. Dalgaard Fisher, our students have had access to a high quality program through an organization that is willing to work closely with the school and with participating families to ensure a positive experience for all participants. I am happy to serve as a reference for Ms. Dalgaard Fisher.

Sincerely,

Christopher J Geocaris
