

September 19, 2024

To whom it may concern,

It is my pleasure to write a letter of reference for Huntington Learning Center. Imagine Bella Academy began correspondence with Huntington in September of 2023 to support our needs of high dosage tutoring for our students in testing grades. Huntington quickly responded to our request and showed urgency to help us with getting the program started.

Huntington sent 3 staff members to Imagine Bella for 3 days per week from November 2023-April 2024. They were all punctual, consistent and very friendly. They built wonderful relationships with our students and staff during their time at our campus. The Huntington team also showed an impact on the students they served. The students improved their engagement and overall growth throughout the school year.

This school year we are continuing our partnership with Huntington to support our students. We are really looking forward to this opportunity to work with them once again.

Colleen Veris

Co-Principal
