Kirsten Cathers, Center Director  
Huntington Learning Center  
5560 N. Hamilton Road  
Gahanna, OH 43230

Dear Kirsten,

ACPA's experience with Huntington Learning Center has been very positive. I've had multiple students tell me that they like working with the tutors and that the process has been helpful for their learning.

I've observed a lot of engagement from the students during tutoring and genuine support from the tutors, who often take time to connect with the students and make the experience more meaningful for them. Additionally, HLC has been very patient and flexible with the logistical complexities of trying to schedule tutoring groups within our restrictive school day, which I greatly appreciate!

Thanks again to you folks!

Sincerely,

Eric Gerlach
